

ELECTIONS

2023

APPEAL FROM ELECTION OFFICER

Hello all,

Greetings from Jamnagar. The election process is underway and preparations for e voting are well on track.

The process is going to be online and the online window will open on 24th September 8 am and end on 1st October 8 pm. The final Voters' list is uploaded on our website. The final list comprises of 534 eligible voters. Please go through it and in case of any discrepancy or a missing name please contact the secretary on his official email ID secretaryusiwz@gmail.com or me at ulhasvs@gmail.com

It is important to check whether your email ID and your mobile number are correct. This is because an OTP will be sent to the registered mobile number. In case of any change, please inform the office immediately.

Please see that you all exercise your vote. The list of candidates is also updated on the website.

Regards,

Dr. Ulhas Sathaye(President elect)

Election officer

CANDIDATES FOR PRESIDENT-ELECT POST

Dr. Ashish Rawandale-Patil

Dear Senior Teachers and Colleagues,

I hope this message finds you in good health and high spirits. It is with a profound sense of responsibility that I announce my candidacy for the esteemed position of President Elect of the West Zone Chapter of the Urological Society of India. As we embark on this journey together I'd like to express my sincere appreciation for the tireless efforts of our previous council members in transforming our organization. The implementation of a highly systematic digital office, recruitment of online banking and transaction facilities, and digital maintenance of accounts are just a few examples of the innovative strides we could make during my tenure as a treasurer (2020-22). The same has, greatly improved our accountability and the way the society transacts. As a treasurer with special consultations of financial experts we could save on a lot of unnecessary GST of our conference delegates. This helped saving a lot of hard earned monies of our members.

I firmly believe that there are countless untapped avenues and innovative ideas that, if realized, can propel us toward an even brighter future. Together, we can mould the destiny of our organization, leaving behind a legacy of progress, unity, and excellence forged through innovative policies and progressive decisions. This journey promises to make our organization more vibrant, inclusive, and impactful than ever before.

As I pledge here I propose and plan to implement a few reforms in our society to make our society more informative, important and of use not only to the existing members but the new young members who I see struggling in their various stages of urology practice.

I eagerly anticipate the opportunity to serve you and our organization with unwavering dedication and passion..as always.

Please feel free to reach out to me at 9422788113 if you have any questions or would like to discuss any ideas....your hotline phone connect to your representative.

LET US DO IT TOGETHER.....

-

Dr. Kaushik Shah

- For the post of council member election of WZUSI
 - I, Superperc Man, stand in front of you seeking your approval as a council member to provide my services and expertise for the welfare of WZUSI.
 - Born & brought up in Nadiad, I became a surgeon from MS University, Baroda with Gold Medal. Being a urologist from JIPMER, I was fortunate to work at IKDRC with young dynamic stalwarts like Dr Shailesh Shah & Dr Ulhas Sathaye. I ran an independent urology unit at IKDRC.
 - Compulsion to earn money shifted me to Surat. Motivated by ongoing new development in the field of urology, I too jumped in that current and developed sheath with suction for PCNL and solving one of biggest problems of removing stone fragments safely, speedily, completely with great ease.
 - Superperc became one of the biggest successes. I was honoured twice by American Urological Association in 2015 to do a live operative demonstration of my technique of Superperc. Now hundreds of Urologists are using Shah Sheath with suction and thousands of patients are benefited by this technique. New design of the nephroscope is the latest innovation. I am proud to say that the number of leading urology departments like MPUH have acquired Supernephroscope.
 - We, South Gujarat Urology Association, are humbled to invite you to the forthcoming 2nd annual conference on urolithiasis in May 2024 at Surat under the banner of urolithiasis section of USI.
 - I wish you all to join in my journey from jugad to innovation to paradigm shift in management of urological diseases by voting me for the post of council member of WZUSI and to strengthen the hands of the incoming team of our society.
 - It will be a great opportunity to work with stalwarts like Dr Ulhas Sathaye, Dr Rajesh Kukreja and its team.
-

Dr. Kishore Dattatray Wani

Consultant Urologist & Kidney Transplant Surgeon

- **Qualification:**

- M.S.D.N.B. (Urology), M.N.A.M.S.(Urology).
