President's Message

Dear Members

The moment for which we are eagerly waiting for is going to happen in few weeks. Welcome you all for the 32nd annual west zone conference. It gives me great pleasure in presenting this scientific program for the WZUSICON 2022.

I just can't express the excitement, joy, and sense of fulfilment in releasing this booklet. The WZ council and the scientific committee have strived to have a blend of excellent scientific program with wonderful take home messages. The scientific program covers almost all aspects of urology from basics to the state of art lectures. The team has considered utilitarian concept in designing the scientific program to be useful for a practicing urologist. One interesting feature of this conference is participation by galaxy of international faculty in virtual sessions. Yes, you thought it right, the COVID pandemic opened this option of having important faculty in virtual sessions.

And hopefully, the beautiful weather in Nashik and the wonderful hospitality of the Local Organising Committee led by Dr Rajan Patni & Dr Kishor Wani and their highly enthusiastic and committed group would add to make this event a memorable one.

With Good Wishes,

Dr JG Lalmalani
President USIWZ

Dr Prashant Mulawkar

Hon Secretary, USIWZ

Secretary's Message

Dear Members

Welcome to Nashik!

The scientific program for the 32nd WZUSICON is here. A lot of hard work and efforts have been put in designing this scientific program. The basis of crafting the program is the responses received in member preferences survey. These were discussed with the WZ President, council and scientific committee. We have not had a full-fledged conference for last three years. So, you may find that this conference's program bit hectic. But that was inevitable.

The highlights of the program are training program Nurses and OT technicians. This program covers common technologies and procedures a urology nurse or OT technician comes across. We have also planned instructional courses on Supine PCNL, Penile prosthesis, Vasectomy & vasectomy reversal, and Hypospadias. These are in depth courses with ample time for audience interaction. USI ISU has planned a two-hour session on mini PCNL covering topics of common interest. Then there are sessions on RIRS, Kidney transplantation and vascular access. Patient information, empowerment and involvement are topics of great interest nowadays. A session is planned to cover this important topic. Sessions covering role of technology, plight of young urologists, bowl for junior colleagues, sessions on urological cancers, female urethral stricture, andrology, and neonatal urology have been planned. I hope these sessions would interest you all

The organizing team led by Dr Rajan Patni, and Dr Kishor Wani have planned interesting sessions for the accompanying persons.

I thank Dr JG Lalmalani, President for his timely suggestions. He had a keen ear to discuss the each aspect of the scientific program and has put in lost of efforts. The WZ council and scientific committee have helped me with their suggestions. Needless to say, the accolades should be for the speakers who have put in their valuable time.

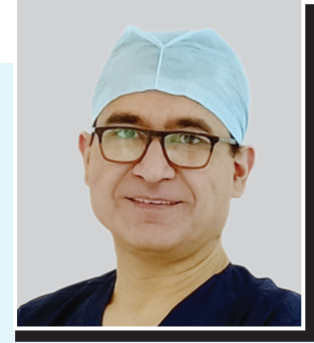

This newsletter also has important information about the council elections.

Regards

Prashant Mulawkar
Hon Secretary

Dr Ashish Patil

Treasurer, USIWZ

Treasurers Message

Dear friends,

One and all of us are excited to reach the wine capital of the country Nashik, to indulge ourselves in the high scientific spirits of our zone academics. Respected president secretary and the council along with the scientific committee have drawn an excellent scientific program and all of us are looking forward to learning quite a few new things at this annual bonanza of our society.

Out of some of the new things that have been initiated and included in the scientific program, I would like to highlight a few:

The “Think tank arena”: It is a pleasure and dream come true to have this innovative session on innovations. “The Think Tank Arena” is to be conducted on 23rd September 12:00 to 13:00 hrs. in Hall B during WZUSICON 2022. This is one of its kind, first ever session, to develop a culture of innovations amongst us Urologists. This session aims at getting innovative minds together onto a platform and initiate sharing of ideas, collaboration of innovators, in order to help an idea grow. In short we aim to break the ice amongst the innovators, and those who think out of the box. We would be inviting urologists with ideas; to come and present his/her concept. The idea would then be open to a round table discussion and brainstorming over the various aspects of the idea like - How good is the idea? , What is the USP of the idea?, Is it a sellable idea ?, How can one go ahead with the idea and take it to the stage of a final product ? etc. This would initiate a dialogue between likeminded and like project innovators.

The “ZONAL UROMET” simulation program: The urology simulation program has been successfully running at the national level and the 18th program was a recently conducted at the Gurgaon center in New Delhi. The zonal UROMET is an extension of the same and an initiative to bring the simulation program to the doorstep of each zone and make it available for the students, consultants and those interested in learning procedures. Now each and every learner need not make it to Delhi for the national chapter of the simulation program. Thus simulation is now accessible to each and every urologist of India at the zonal level.

One session of simulation is never enough for any learner who is trying to learn a new technique and hence even those learners who have attended the Delhi sessions in the past can attend again and brush up their skills and concepts. We would like to appeal to all the teachers to ask their students to register for the simulation program and make the best of the opportunity. We hope that this two day simulation program would benefit our zone.

Apart from this there are many interesting sessions on board which have been crafted to the needs of the time and the requirement of the members. I thank the council for the support and congratulate the zone on this excellent scientific program

Looking forward to meet you all !!!

Dr Ashish Rawandale-Patil
Hon Treasurer

Election Notification 2022

Dr Kandarp Parikh

President Elect, USI-WZ

Dear WZ family members,

Greetings from Dr.Kandarp Parikh.

Unprecedented Covid crisis is gradually fading down and now it's conference time across India. We, all the members of WZ are eager to meet during WZUSICON at Nasik, Maharashtra. The enthusiasm is palpable and all set to go in few days from now. We the west zone council have a pleasant duty to conduct election for WZ council members. As you know we have completely moved to E-election so I am sending you relevant information for smooth voting procedure.

Voting for the three posts of Council Members USIWZ council will be open from

01 Sep 2022 to 10 Sep 2022

Please note that only Full members of USI West Zone who have registered for voting and have their name in the final list which was sent for everyone's confirmation earlier will be able to vote.

For voting Election portal can be accessed via www.usiwzelections-2022.in

After entering election portal enter your registered email / mobile number to receive OTP.

If the mobile number / email is correct, OTP will be sent to respective email / mobile number.

Kindly enter OTP received and proceed to see list of candidates

Select candidate / candidates for each position and submit your selection.

Whenever there is more than one member to be elected, it is mandatory that the voter votes for the required number of candidates. That means since there are three council member seats, the voter must cast vote for three seats. They cannot cast just one or two votes. Such a vote would not be accepted by system and will be invalid.

Kindly note, each user can vote only once. For security reasons IP addresses, voters email / mobiles are recorded at anonymous level.

Confirmation of your successful voting will be sent by a text message and an email on your registered mobile number and email address.

The date, time and IP address will be recorded as viewed by you after successful voting .

Regarding the security of the election process

There will be mock trial voting exactly simulating final voting process on 29th and 30th August 2022.

One person alone cannot start the voting process. There will be three passwords shared with president, past president and president elect. Once all three passwords are filled in then voting process will start. Same is the case with ending the voting process

The results of the voting will be available at a defined time accessible to the three key members only on utilising three separate keys by three presidents at the same time

All voters will receive OTP on mobile and e mail for voting for secure voting

Only one vote per person, per membership number, per mobile phone, per single ip address is allowed.

*For any difficulty or assistance required in voting please contact me on 98240 47767.

You can send a WhatsApp message on to my number with exact details of the problem encountered . A snapshot will help

Or else you can send me a mail on pkandarp@hotmail.com and send a brief description of the problem encountered .

Please do not hesitate to make a phone call if there is a persistent difficulty in sorting out the problem.

Wishing all Contestants the very best for the elections and all members a comfortable and smooth experience in the voting process.

I must congratulate Dr.Jacky Lalmalani, President WZ and Dynamic secretary WZ Dr.Prashant Mulawkar for all the hard work along with WZ council for great academic planning. My best wishes to the Nasik local Organizing Committee for the most memorable event. Long live west zone Unity and friendship.

Dr Amish Mehta

Dr Anita Patel

Dr Haresh Thummar

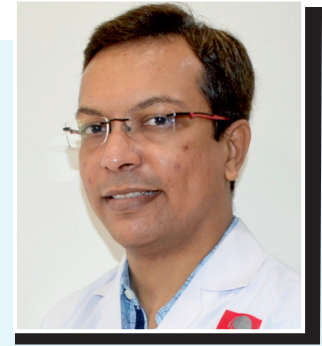

Dr Pankaj Joshi

Dr Venkat Gite

Dr Amish Mehta

MS, MCh(uro), DNB(uro), Rajkot.

Consultant urologist at BT Savani kidney hospital, Rajkot for last seven years
Special interest in urooncology, laparoscopy, endourology and renal transplant.

Dear sir,

It's a matter of great pride and privilege to be able to put these words in front of you all! Being from west zone of India itself has proven to be a matter of privilege, as I have witnessed after my M. Ch urology residency from Trivandrum, Kerala.

I have already passed the initial phase of urology practice, and have observed and experienced enough to claim of my being a mature and humble member of our zonal body. A few of the milestones i would like to share with you all, as achieved by me in my urology journey.

- PG teacher for DNB urology
- Active academic interest in local and zonal activities
- Instrumental and vital roles in organising various urology workshops and CMEs
- An active and important member of the organising team during the much acclaimed WZUSICON 2019, Rajkot
- Social service via various platforms in different parts of our WZ states, since the start of my practice.

It was during the planning and execution of WZUSICON 2019 that I got a close insight into the responsibilities and tasks to be performed by WZ USI office bearers. I have the confidence and perhaps the ability to execute such responsibilities, as may be entrusted upon me, if elected as a COUNCIL MEMBER. I believe I can do well in both coordinating with seniors and giving a voice to the younger generation as well.

In the rapidly changing scenario of recent medical practice, i have closely witnessed the challenges as a young surgeon. For that reason, I believe, I can connect well with the young urologists and understand their pleas better.

I may not have many accolades as of now, but I feel that I have the potential to prove myself worthy if given a chance. If chosen as a COUNCIL MEMBER, I promise to give voice to the matters affecting our younger generation.

Any army or for that matter even a nation, thrives better when the youngsters are put at work! The same stands true for us as well. If given an opportunity, I am sure I can justify your vote, and the confidence shown in me.

I can be contacted on

Phone - 99251 34899 • Email - amish.dr@gmail.com

With Regards,

Dr. Amish Mehta

Dr Anita Patel.,

[MCh, DNBE, FRCS], Consultant Urologist, Mumbai

Primary medical qualification – MBBS, [1984], MS [Gen Surgery, 1989].

I have secured gold medals in MBBS and MS, at Mumbai University.

Urological qualification – MCh, DNBE [Urol] from KEM Hosp, Mumbai, 1991

FRCS [Urology] UK, 1997. [Only lady urologist in India with FRCS Urology]

Teaching experience – Lecturer in urology, KEM hospital from Dec 1991- Oct 1992

Consultant associate professor of urology at KEM Hospital Parel, Mumbai - Oct 2017 to Oct 2019.

Honorary visiting consultant, Wadia Children’s Hospital, Parel, Mumbai [2020-2021]

Area of special interest - Lower urinary tract dysfunction including prostate disease in men, incontinence and other forms of voiding dysfunction in men women & children [diagnosis & management], semi-rigid & flexible Ureteroscopy & RIRS.

Present position - Consultant Urologist at Endoskopik Klinik & Hospital [Shivaji Park] & Global Hospital, Parel [Mumbai] & Visiting Consultant Urologist and teacher at Muljibhai Patel Urology Hospital [MPUH], Nadiad, Gujarat.

Affiliation/Membership - Member of Mumbai Urology Society [currently a council member], West Zone of USI, Urology Society of India [USI] & AUA [American Urology Association].

Presentations and publications –

- * I have been an invited faculty in many local, state, national & international conferences.
- * Authored an article on “Women in Urology in India’ in April 2022 issue of AUA newsletter.
- * Have been invited as faculty for a talk on “Work life balance’ in SIU 2022 Montreal I was a Faculty for the postgraduate revision training course, & was also the external examiner for FRCS urology annual assessment in Singapore August 2011.

I am a co-author on international guidelines on spinal injuries urological management by SIU [2016].

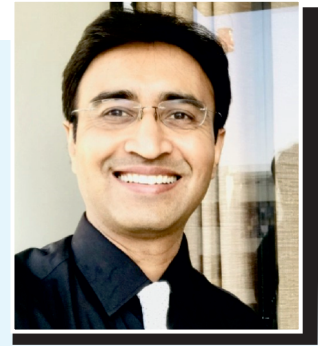

I am on national guidelines committee for urinary incontinence as well as UTI by USI 2018

Non urology -

/am a qualified singer with a Sangeet Visharad from Gandharva Mahavidyalaya. I also enjoy gardening, cooking & reading.

Family - My husband, Dr. Pankaj Patel is a vascular surgeon & my daughter Avanti is a classical vocalist and Janhavi is studying for MBA in Amsterdam.

Dr Haresh G Thummar, Vadodara.

Medical schooling from M S university with gold medal and best candidate awards.

Urology training (DNB) from prestigious MPUH, Nadiad having world leader Dr Mahesh Desai as a PG teacher & mentor.

Completed advanced Endourology fellowship at New York,USA under esteem guidance of Dr Mantu Gupta & Father of Endourology- Dr Arthur Smith as a mentor.

Received prestigious USI & WZUSI fellowships like Dr G M Phadke & Eagle traveling fellowships and completed it at AIIMS, N Delhi and PGIMER, Chandigarh.

Presented research papers in various national & international conferences during DNB training and won many awards & prizes (4 papers were selected among best category out of my total 6 papers during World congress of Endourology congress at Cleveland 2006).

Had also done postwce06 Endourology fellowship @ Cleveland clinic foundation,USA during 2006.

Organized various conferences & workshops at New York, Rajkot, Vadodara to continue & update highest level of academics.

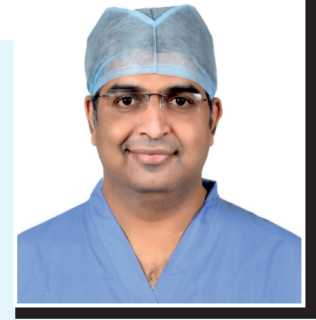

Presented more than 200 papers in various national & international conferences including WCE, AUA etc. Won best poster prize this year USICON 2022 too for research paper on urolithiasis.

Has been invited as a faculty in various national & international academic conferences & workshops.

At present lead consultant at Zydus hospital,Vadodara. Having rich clinical and academic experience at all three major kidney institutions in Gujarat(IKDRC,MPUH,BTSK).has opportunity to work with world leaders in urology like dr Arthur smith, Dr Mahesh desai ,Dr Gopal Badlani, Dr Ashutosh Tewari, Dr Mantu gupta, Dr ketan Badani, Dr stoller ,Dr patrick walsh ,Dr Alen partin,Dr Peter Schegel , Dr Mark Goldstein , Dr Rupin shah and so many world leaders in urology,

Goal is to serve society with best academics for better tomorrow.

Pankaj Joshi, Pune.

4. Pankaj Joshi, Pune.

I am a Reconstructive Urologist working at Kulkarni Reconstructive Urology Center, Pune. I owe everything in life to my Gurus who crafted my academic life.

Education:

- MBBS: LTMMC, Sion Hospital Mumbai (2000)
- MS.: Nair Hospital (2007)
- DNB Uro: Deenanath Mangeshkar Hospital, Pune (2010)
- Fellowship: Kulkarni Reconstructive Urology Center

Innovations:

New Step in non-transecting Bulbar Urethroplasty
Joshi Kulkarni retractor for hypospadias
MRI Protocol for Imaging in pelvic Fracture Urethral Injuries
Vciry l tackers for Urethroplasty

Publications: 96 **Book Chapters:** 9

	All	Since 2017
Citations	709	610
h-index	15	14
i10-index	23	22

International Workshops and Faculty:

- 21 countries
- Conducted Instructional Course on Urethroplasty at AUA meeting, New Orleans, 2022 and SIU, Glasgow.

Scholarships:

- Chakraborty Fellowship- Cleveland Clinic (awarded by Indian American Urology Association)
- B Braun Medical Trust Foundation Scholarship for year 2006 for \ outstanding achievement in the field of General Surgery.

Awards:

- Dr H S Bhat **Gold Medal** in Urology,2010
- PreventiveandSocialMedicine Gold Medal,2000
- SIU BANTU Second Prize in Innovation 2017
- **USI Prizes:** C K P Menon Best paper,
Brij Kishore Patna,
Chandigarh Best Video,
Vijayawada Poster,
WZ Best Video award
- 2021 Faculty of Eminence, ISU

Committee Members:

- Secretary-Urology Society of Pune
- WHO (World Health Organization) TAG (Technical Advisory Group) on male circumcision
- Secretary-International Society of Reconstructive Urology
- Fellowship Committee Member, GURS
- Board Of Director, GURS (2016-2019)
- Reviewers for multiple Journals

I am happy to contribute to any role given to take forward the education.
I wish to serve the Society and request each member for your kind vote.
Proud to be a West Zone Urology Member.

Planner: D3, Sun 25 Sep 2022

Sun 25 Sep 2022	Hall A	Hall B	Hall C	Hall D
08:00	Podium 8 (P42 to P47) 08:00 to 09:00	Podium 9 (P48 to P53) 08:00 to 09:00		
08:15				
08:30				
08:45				
09:00	Panel Discussion RCC T1, T2 09:00 to 10:00	Vacant	Vacant	Vacant
09:15				
09:30				
09:45	Chitale Travelling Fellowship Quiz 10:00 to 11:00			
10:00				
10:15				
10:30				
10:45	State of Art Lecture: Sacroneuromodulation in non obstructive hypotonic bladders 11:00 to 11:10			
11:00				
11:10				
11:15	Symposium: Female Urethral stricture 11:10 to 11:40			
11:30				
11:40	Short talks: Andrology 11:40 to 12:40			
11:45				
12:00				
12:15				
12:30				
12:40	Case based Discussion: Neonatal Urology 12:40 to 13:10			
12:45				
13:00				
13:10	Valedictory Function 13:10 to 13:30			
13:15				
13:30	Lunch			

Legend for Colour Coding of the Scientific Program

Category	Colour Code
Program Title	Yellow
General Urology	Light red Berry 3
BPH Light	Yellow 1
Andrology	Light red 3
Female Urology / Neurourology	Light yellow 3
Infections	Light green 3
Laparoscopy and Robotics	Light cyan 3
Medicolegal aspects	Light cornflower blue 3
Paediatric + Adolescent urology	Light purple 3
Practice management	Light magenta 3
Stone disease	Light orange 2
Transplant	Light yellow 2
Reconstructive urology + Trauma	Light green 2
Urology education and training	Light cyan 2
Urological oncology	Light blue 2
Innovation/ Technology	Cyan
Social Events	Green
Official Events	Light Grey2

Hall A

Hall B

Hall C

Hall D

D0: 22 September 2022, Thursday, Hall A - Instructional Courses

Thu/ Hall A	Program Title	Speaker/ Moderator
13:50 to 14:00	Opening Remarks	
	President	JG Lalmalani
	Secretary	Prashant Mulawkar
	Treasurer	Ashish Patil
14:00 to 16:00	Instructional course	
	Supine PCNL	
	Learning Objectives	From basics to advanced, technique, Instrumentation and how to start, teething problems. Case based discussion, QnA of 30 min
	Chairperson	Kamlesh Shah
	Chairperson	Mohd Ismail Attar
	Convener	Gyanendra Sharma
	Convener	Chandra Mohan Vaddi
	Faculty	Sanjay Kolte
	Faculty	Ajit Sawant
16:00 to 18:00	Instructional Course	
	Penile Prosthesis	
	Learning Objectives	Basics to advanced. Case based discussion, Semi Live demonstration, QnA of 30 min
	Chairperson	Arun Chinchole
	Convener	Shailesh Shah
	Convener	Sushil Bhatia
	Faculty	Priyank Kothari
	Faculty	Gautam Banga
	Faculty	Raman Tanvar
18:00	Free time	
19:00	Faculty Dinner	

D0: 22 September 2022, Hall B, Thursday , Nurses' and OT technician Training Program

Thu/ Hall B	Program Title	Speaker/ Moderator
12:00 to 13:00	Lunch and registration	
13:00 to 18:00	Nurses' and OT technician Training Program Convener	Haresh Thummar
	Convener	Abhishek Singh
	Convener	Harshawardhan Tanwar
	Convener	Kishor Wani
13:00 to 13:10	Opening Remarks	
	JG Lalmalani	
	Prashant Mulawkar Ashish Patil	
13:10 to 14:20	Session 1	
13:10	Understanding the Instrumentation Lower tract instruments : Description , Use, sterilization and maintenance	Santosh Anand (Karl Storz)
13:20	Upper tract instruments : Nephroscopes, Use, sterilization and maintenance	Harshawardhan Tanwar (Urologist)
13:30	Flexible ureteroscopes : Description, Use, sterilization and maintenance	Bibhas Kumar Pal (Olympus)
13:40	Robot basic description and instrumentation	Abhinav Pednekar (KDAH, Mumbai)
13:50	Irrigation systems: which one and when ?	Mahesh Patel (MPUH, Nadiad)
14:00	Common problems in autoclaving and solutions	Bhagyashree Ashokrao Kale (Nursing Tutor)
14:10	Common NABH Protocols in Urology OT	Rajesh Kukreja (Urologist)
14:20	Discussion	
14:30 to 15:30	Session 2	
14:30	Communication in the hospital, how do you improve-	Haresh Thummar (Urologist)

DO: 22 September 2022, Thursday, Hall A - Instructional Courses

Thu/ Hall B	Program Title	Speaker/ Moderator
14:40	Basics Of urodynamics for nursing staff	Anita Patel (Urologist)
14:50	Teaching CSIC and urethral calibration to patients : dealing with challenges	Sumit Agrawal (Urologist)
15:00	SPC change how does one do it	Abhishek Singh (Urologist)
15:10	Post operative care of urological patients	Yogesh Kaje (Urologist)
15:20	Discussion	
15:30 to 16:30	Session 3	
15:30	Laparoscopic instruments : care and maintenance	Himanshu Bhatt (DNH Medical devices)
15:40	Laparoscopic instruments design and use	Kishor Wani (Urologist)
15:50	Lasers why and when do we need them	Nirav Bhatt (Quanta)
16:00	Energy sources for stone : how far have we travelled	Pawan Survase (Urologist)
16:10	Fluoroscopy : Principles and applications in urology	Rahul Chirmade (Urologist)
16:20	Discussion	
16:30 to 17:20	Session 4	
16:30	Wires, baskets, stents and catheters : tools we need to master	Ashok Sharma (Cook Urology)
16:40	Tubes in urology which one and when	Amit Sharma (Urologist)
16:50	All you need to know about balloons , dilators, specialized catheters, sheaths (Amplatz, reentry, ureteric dilators, access sheaths)	Harshad Pandya (MPUH, Nadiad)

D0: 22 September 2022, Hall B, Thursday , Nurses' and OT technician Training Program

Thu/ Hall B	Program Title	Speaker/ Moderator
17:00	Drapes and draping in urology in urology	Sudarshan Daga (Urologist)
17:10	Discussion	
17:20 to 18:00	Session 5	
17:20	Recording and Transmission of operative procedures : How do you do it ?	Naresh Rebel (Preeti Hospital, Hyderabad)
17:40	"JUGAD" in urology OR- surprize session	Nelson Zinto (Zydus Urology)
18:00	End of the program: Refreshments for the participants	

D1: Hall A: Friday: 23 Sep 2022 (Pre-Lunch) Video 1

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Free Paper session	
	Video 1 V01 to V06	
	Chairperson	Rohan Batra
	Chairperson	Sujata Patwardhan
	Chairperson	Himesh Gandhi
V01	LAPAROSCOPIC RESECTION OF EXTRA- ADRENAL PHEOCHROMOCYTOMA	Rupesh Bharatbhai Shah (Ahmedabad)
V02	Zinner Syndrome- A Rare Developmental Anomaly and Cause of Recurrent Dysuria	Vishnu Pratap (Mumbai)
V03	Step by Step Approach to Microscopic Subinguinal Varicocelelectomy: Tips and tricks to ensure best possible outcomes.	PRIYANK DHIRESH KOTHARI (MUMBAI)
V04	Female genital sparing robotic radical cystectomy with robotic intracorporeal Karolinska orthotopic Neobladder Reconstruction	Akash Mukesh Shah (MUMBAI)
V05	Isolated Hydatid Cyst of Kidney: Two cases of this rare condition managed Surgically	Supradeep N (MUMBAI)
V06	A case of ureterovaginal fistula repaired with laparoscopic boari flap.	Amit Atul Chiddarwar (MUMBAI)

D1: Hall A: Friday: 23 Sep 2022 (Pre-Lunch) USI ISU Session on Mini PCNL

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
09:00 to 11:00	USI ISU activity: Precision Mini PCNL (<15 Fr)	
	Convener	Arun Chawla
	Convener	Ravindra Sabnis
	A: Introduction (5 min)	Arun Chawla
	B: How to Make Perfect Puncture	
	Chairperson	Sanjay Shinde
	Chairperson	Rajiv Joshi
	USG Guided access (6min)	Ravindra Sabnis
	Fluoroscopy guided access (6 min)	Sanjay Deshpande
	C: Miniaturised PCNL	
	Chairperson	Ramesh Mahajan
	Chairperson	Rasesh Desai
	How to choose which technique for which case? (8 min)	Ashwin Gabani
	Importance of accessories to achieve SFR"O" status (8 min)	Subodh Shivde
	How to choose the optimal energy source (8 min)	Rajesh Kukreja
	D: Case based discussion: covering mPN, cPN	
	Case scenarios : 1. Intercostal and High intercostal access ; 2. Undliated calyx; 3. Tubeless PNLs; 4. Hrgic Complication; 5.Caliceal diverticulum; 6.Renal and Ureteric calculus; 7.Pediatric mPNL	
	Moderator	Arun Chawla
	Panellist Percy	Jal Chibber
	Panellist	Janak Desai
	Panellist	Prashant Pattnaik
	Panellist	Sunil Gogte
	Panellist	S K Pal
	Panellist	S K Singh

D1: Hall A: Friday: 23 Sep 2022 (Pre-Lunch) Guest Lecture & RIRS Session

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
11:00 to 11:15	Guest Lecture	Inflatable Penile Prosthesis (Surgical technique)
	Chairperson	Narendra Mohta
	Chairperson	G Chengalvarayan
	Inflatable Penile Prosthesis (Surgical technique)	Ranjith Ramasamy, Director, Reproductive Urology, Associate professor, University of Miami
11:15 to 13:00	Challenging situations in RIRS Complications, Difficult situations, when not to do RIRS	
	Convener	Kandarp Parikh
	Panellist	K Nanjappa M
	Panellist	Jitendra Jagtap
	Panellist	Abhay Khandekar
	Panellist	Ravi Jain
	Panellist	Hiren Sodha
	Panellist	Kishor Wani
	Panellist	Vishwas Kulkarni
12:55 to 13:00	Special Launch Event TBA	
13:00 to 14:00	Lunch Break	

D1: Hall A: Friday: 23 Sep 2022 (Post-Lunch) Video 2

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
14:00 to 15:00	Free Papers Video 2	V07 to V12
V07	Chairperson	Subodh Shivde
	Chairperson	Jitendra Jagtap
	Chairperson	Sushil Rathi
	Technique of single docking robotic assisted nephroureterectomy and extravesical bladder cuff excision.	DAUD ALI KAZI (NADIAD)
V08	METASTATIC NSGCT IN TESTICULAR NSGCT MANAGED WITH LATERAL VEIL	Amit R Sharma (Raipur)
V09	Post Chemotherapy Robotic RPLND with IVC repair	Varun Vishnu Agarwal (Mumbai)
V10	Robotic radical prostatectomy with simultaneous extravesical bladder diverticulectomy for a very large bladder diverticulum - video of a challenging case	Vivek Venkatramani (Mumbai)
V11	Right partial nephrectomy in a rare case of duplex renal moiety with upper renal moiety non functioning	Sanket Ghansham Chaudhari (Nasik)
V12	Minimal invasive approach (robot-assisted) nephron sparing surgery for multiple tumors (seven) in a solitary kidney	Ashishkumar Narsinhbhai Asari (Mumbai)

D1: Hall A: Friday: 23 Sep 2022 (Post-Lunch) Special session on Kidney Transplantation & Vascular Access: A

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
15:00 to 17:00	Special session on Kidney Transplantation & Vascular Access	
15:00 to 16:00	Session A	
	Convener	Syed Jamal Rizvi
	Convener	Abhay Mahajan
	Introductory	Remarks Syed Jamal Rizvi
		Abhay Mahajan
	Expert comments	Vatsala Trivedi
	Expert comments	Umesh Oza
15:05 to 15:20	A1: Debate: ABOi Vs Swap Renal Transplant	(5 min + 1 min each)
	For Swap	Syed Jamal Rizvi
	For ABOi	Abhay Mahajan
	Expert comments	2 min
15:20 to 15:30	A2: Lap Donor Nephrectomy: My Tips and Tricks	(5 min each)
	Lap donor: My technique	Arvind Ganpule
	Lap donor: My technique	Yusuf saifee
	Expert Comments	
15:30 to 16:00	A3: State of Art talks	(8 min + 2 min)
	Legal Aspects of Renal Transplants: Identity Frauds, Misappropriated Paternity, Suspected Transaction	Ketan Pai
	Expert Comments	2 min
	Marginal Renal Donor: How Far Can One Stretch The	
	Margins	Santosh Agrawal
	Expert Comments	2 min
	Deceased Donor Kidney Only Retrieval, Video demonstration	Sujata Patwardhan
Expert Comments	2 min	

D1: Hall A: Friday: 23 Sep 2022 (Post-Lunch)
Special session on Kidney Transplantation & Vascular Access: B
Dr Karanjawala Symposium on Vascular Access

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
16:00 to 17:00	Session B	
	Karanjawala Symposium: Vascular Access for Haemodialysis	
	Convener	Ajay Oswal
	Expert Comments	Syed Jamal Rizvi
	Expert Comments	Abhay Mahajan
	Pre operative evaluation for Vascular Access for Haemodialysis	Abhishek Shah
	Clinical Practice Guidelines for Vascular Access for Hemodialysis	Rajnikant Joshi
	Tips & Tricks for making a successful RCAVF and BCAVF and Why fistulae fail?	Alap Mehendale
	Radial and Brachial Fistulae failed: What Next?	Abhishek Singh
	Complications in Vascular Access for Hemodialysis, Case based discussion	Experts

D1: Hall A: Friday: 23 Sep 2022 (Post-Lunch) Panel Discussion: Patient & Urology

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
17:00 to 18:00	Panel Discussion Patient and urology	
	Learning Objectives	Introduction to patient centered approach in the clinical management of patients; Patient summary in journals; Patient involvement in decision making; Impact of Uberization of medical practice; Patient engagement with urologist on social media and its impact on healthcare; Plethora of Information available on internet and confused patient; Role of USI in patient education
	Convener	Pankaj Maheshwari
	Convener	R Keshavmurthy
	Panellist	Deepak Rajyaguru
	Panellist	Prashant Bhagwat
	Panellist	Vilas Sabale
	Panellist	Harshawardhan Tanwar

D1: Hall B: Friday: 23 Sep 2022: Pre-Lunch Podium 1

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Free Paper session	
	Podium 1 Chairperson	P01 to P06 Harshvardhan Tanwar
P01	Chairperson Chairperson COMPARISON OF ANTEGRADE PERCUTANEOUS VERSUS RETROGRADE URETEROSCOPIC LITHOTRIPSY FOR MANAGEMENT OF UPPER URETERIC CALCULUS”	Parimal Gharia Prashant Pattnaik Ojas Vijayanand Potdar (Mumbai)
P02	Guy’s stone score as a predictor for stone free rate and complications related to PCNL - A retrospective study.	Jay Jayesh Bhanushali (Mumbai)
P03	Safety and feasibility of tubeless mini perc pcnl using super perc sheath in single <1.5 cm renal stone: a prospective observational study	Jay Mahendrabhai Makadia (Rajkot)
P04	MiniPCNL vs RIRS in large burden stones from 1.5 cm to 3cm using Thulium Fiber Laser: A propensity matched analysis	Rohan Batra (Nadiad)
P05	Novel Technique of Retrograde Intrarenal Surgery combined with Extracorporeal Shock Wave Lithotripsy for maximum clearance of Impacted Lower Calyceal Calculus >2cm	NAVINKUMAR VINODKUMAR PATIL (Mumbai)
P06	Supine Percutaneous nephrolithotomy- Initial experience from a tertiary care hospital	Abhineeth kp (Bhopal)

D1: Hall B: Friday: 23 Sep 2022: Pre-Lunch Instructional Course: Vasectomy/ Think Tank

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
11:00 to 12:00	Instructional course	
	Vasectomy & Vasectomy Reversal	
	Learning objectives: Vasectomy	Indications and contraindications, Instruments, Various techniques, Relative merits and demerits of each technique, Complications, Insurance cover for vasectomy patient, Semi Live video of vasectomy, Legal requirements for doing vasectomy, Standard follow up after vasectomy, role of vasectomy during TURP
	Learning objectives: Vasectomy Reversal	Procedure, indications and contraindications for vasectomy reversal, Current status vasectomy reversal vs IVF
	Convener	Suhas Salpekar
	Faculty	Narendra Mohta
	Faculty	Arvind Joshi
	Faculty	Priyank Kothari
	Faculty	Chaitanya Deshmukh

D1: Hall B: Friday: 23 Sep 2022: Pre-Lunch Instructional Course: Vasectomy/ Think Tank

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
12:00 to 13:00	Think Tank Arena	
	Brainstorming session for innovators	
	Learning Objective:	The session would have unmoderated innovative ideas presented by different delegates. The session can be moderated by innovators of the zone. Each presentation would be followed by detailed and immersive brainstorming of the idea over a round table discussion. This would help the innovators to modify, polish, update their ideas before they patent the idea or go into production of the idea. This session would also help and promote collaborations and augmentation of ideas between various urologist who like to think out of the box.
	Convener	Lokesh Patni
	Convener	Gaurang Shah,
	Convener	Gyanendra Sharma
	Convener	Kaushik Shah
13:00 to 14:00	Lunch Break	

D1: Hall B: Friday: 23 Sep 2022: Post-Lunch Podium 2

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
14:00 to 15:00	Free Paper Session	
	Podium 2	P07 to P12
	Chairperson	Hiren Sodha
	Chairperson	Ulhas Sathye
	Chairperson	Kaushik Shah
P07	PROSPECTIVE EVALUATION OF S.T.O.N.E SCORE Vs GUY`S SCORE IN PREDECTING SUCCESS RATE AND COMPLICATION IN PERCUTANEOUS NEPHROLITHOTOMY Sagar katudiya,Jay joshi BT savani kidney hospital Rajkot, Gujarat	Sagar Vajubhai Katudiya (Rajkot)
P08	Percutaneous Nephrolithotomy in Patients With Chronic Kidney Disease : Our experience.	Chetankumar Ramesh Tikar (Mumbai)
P09	The safety and efficacy of tubeless percutaneous nephrolithotomy: An initial experience from a tertiary care center	Abhineeth Kp (Bhopal)
P10	A Prospective,randomized,study comparing miniperc with suction sheath and miniperc without suction sheath for treatment of Kidney Stones < 2cm in size and its outcome.	sahil atulbhai agrawal (Nadiad)
P11	Large stones (> 2 cms) RIRS by Thulium fiber laser "Raising the bar higher "- our initial single center experience of 30 cases. ashish Mahendra Chhajed (Dhule)	
P12	A prospective RCT of efficacy of Trilogy vs ShockPulse in MiniPerc: An interim analysis	Abhijit Pradip Patil (Nadiad)

D1: Hall C: Friday: 23 Sep 2022

Fri/ Hall c	Program Title	Speaker/ Moderator
08:00 to 09:00	Podium 3	P13 to P17
	Chairperson	Punit Tiwari
	Chairperson	Shabbir Hussain
	Chairperson	Ashwin Limbasia
P13	Modified Cantwell-Ransley repair - single stage treatment for primary epispadias.	Ranjit Babulal Vishwakarma (Mumbai)
P14	Angiomyolipoma of the kidneys are typically benign and rare accounting for 2% of all renal masses. Reporting our experience with a series of 4 patients of ruptured angiomyolipoma	Maria Amanda Cardoso (Goa)
P15	Outcome of URSL in patient having Refractory UTI	Veku Anand Gaude (Goa)
P16	Laparoscopic Adrenalectomy for a large adrenal mass	Sanket Ghansham Chaudhari (Nasik)
P17	Urachal cyst abscess	Nirmit Kailas Agrawal (Mumbai)
09:00 AM	Moderated Poster 1 Display starts	E01 to E12
10:00 AM	Unmoderated Poster 1 Display starts	E25 to E29 & E34 to E36
E25	Urinary Bladder Leiomyoma - A Rare Case Report	Dip H Joshi (Mumbai)
E26	Teamed approach of Uro-gynecologists in a case of Pelvic organ Prolapse with associated urinary incontinence	Shashank Sharma (Mumbai)
E27	Spontaneous Renal Haemorrhage	Supran Sharma (Pune)
E28	WEIGHERT MEYER PHENOMENON - COMPLETE DUPLEX DUPLEX URETER OPENING OF ECTOPIC URETERIC ORIFICE AT THE BLADDER NECK IN ADULT INDIAN FEMALE	Kartik Shashikant Patel (Pune)

D1: Hall B: Friday: 23 Sep 2022: Post-Lunch Podium 2

Fri/ Hall c	Program Title	Speaker/ Moderator
E29	Rare presentation of Renal Medullary Carcinoma in old age : A Case Report	sagar Vajubhai katudiya (Rajkot)
E34	PROGRESSIVE PERINEAL URETHROPLASTY IN CHILDREN WITH POSTERIOR URETHRAL DISTRACTION DEFECTS ASSOCIATED WITH PELVIC FRACTURES	KEYUR YOGESH PATEL (Belagavi)
E35	URETHRAL DUPLICATION IN A 13 YEAR OLD BOY: A RARE CASE PRESENTATION	Gaurav Kumar Malvi (Mumbai)
E36	POSTAURICULAR SKIN GRAFTS IN THE TREATMENT OF BULBAR URETHRAL STRICTURE DISEASE	RONAK NARESHBHAJ SHAH (Belagavi)
13:00 to 14:00	Lunch Break	

D1: Hall C: Friday: 23 Sep 2022

Fri/ Hall c	Program Title	Speaker/ Moderator
14:00 to 15:00	Moderated poster 1 (Discussion)	E01 to E12
	Chairperson	Santosh Waigankar
	Chairperson	Abhijeet Patil
	Chairperson	Kapil Thakkar
E01	The good, the bad, the ugly, disguising as Pheochromocytoma creating a clinical dilemma	USHA PRAKASH VASWANI (Mumbai)
E02	A rare case of spontaneous ruptured adrenal pheochromocytoma with intraperitoneal hemorrhage and shock	Sandeep Kumar (Ahmedabad)
E03	A stitch in time saves nine: A Case of Anorgasmic Anejaculation falsely diagnosed as Ejaculatory Duct Obstruction	Priyank Dhiresk Kothari (Mumbai)
E04	Modified Al-Ghorab Shunt- an effective treatment for delayed ischemic priapism	Ranjit Babulal Vishwakarma (Mumbai)
E05	A Case Of Penile Mucormycosis Involving External Sphincter In Post-Covid Patient	Vaibhavkumar Rajeshbhai Patel (Pune)
E06	Emphysematous pyelonephritis with extension of air in inferior vena cava	Nirmit Kailas Agrawal (Mumbai)
E07	Renal Mucormycosis Presenting as Emphysematous Pyelonephritis - A Case Report	Supradeep N (Mumbai)
E08	Squamous Cell Carcinoma of Renal Pelvis-Revisiting 20 Years' Experience At A Tertiary Care Center.	Pavan Prabhakar Surwase (Nadiad)

D1: Hall C: Friday: 23 Sep 2022

Fri/ Hall c	Program Title	Speaker/ Moderator
E09	Epispadias cripples: management and challenges	Mekhala Deepak Naik (Mumbai)
E10	A rare case of intracranial Metastasis from penile squamous cell carcinoma	Sandeep Kumar (Ahmedabad)
E11	Symphysis pubis osteomyelitis post robotic assisted radical prostatectomy- a rare complication.	Bhargavkumar Shankarbhai Pandya (Mumbai)
E12	Paravertebral Block in Percutaneous Nephrolithotomy	Chetankumar Ramesh Tikar (Mumbai)

D1: Hall C: Friday: 23 Sep 2022

Fri/ Hall D	Program Title	Speaker/ Moderator
Module	USG	
Moderator	Arvind Ganpule	
10:00 to 11:00		Arvind Ganpule
11:00 to 12:00		Ashish Patil
12:00 to 13:00		Repeat any faculty
13:00 to 14:00	Lunch	
Module	TURP	
Moderators	Dhananjay Bokare	
14:00 to 15:00	Sushil Rathi	
15:00 to 16:00	Dhananjay Bokare	
16:00 to 17:00	Atul Shah	
Module	PCNL	
Moderators	Lokesh Patni	
14:00 to 15:00		Amish Mehta
15:00 to 16:00		Abhinav Gade
16:00 to 17:00		Abhay Mahajan
Module	RIRS	
Moderators	K Nanjappa	
14:00 to 15:00		Sachin Pahade
15:00 to 16:00		K Nanjappa
16:00 to 17:00		Harshvardhan Tanwar
Module	LAPAROSCOPY	
Moderators	Jamal Rizvi*	
14:00 to 15:00		Jamal Rizvi/ Mangesh Patil
15:00 to 16:00		Abhishek Singh
16:00 to 17:00		

D2: Hall A: Saturday: 24 Sep 2022: Pre-Lunch Podium 4

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Podium 4	P18 to P23
	Chairperson	Abhay Mahajan
	Chairperson	Arvind Joshi
	Chairperson	CS Thatte
P18	Utility of Office Sildenafil Test for evaluating young males and newly married couples : a simple test to avoid further complicated testing	Pradeep Jain (Mumbai)
P19	FSH and Testicular Size CANNOT definitively differentiate between Obstructive and Non Obstructive Azoospermia	PRIYANK DHIRESH KOTHARI (Mumbai)
P20	Comparison of safety, efficacy and morbidity of Green Light laser vaporization of prostate with that of transurethral resection of prostate in patients with benign prostatic hyperplasia.	USHA PRAKASH VASWANI (Mumbai)
P21	Role of Turp in urodynamically proven under active detrusor patients following long standing bladder outlet obstruction due to benign prostatic hyperplasia.	Bhargavkumar Shankarbhai Pandya (Mumbai)
P22	Predictive factors for persistence of Lower Urinary Tract Symptoms in patients of Benign Prostatic Hyperplasia after Transurethral Resection of Prostate: A Prospective Analytical Study	Supradeep N (Mumbai)
P23	Our Initial experience with treatment of vesicovaginal fistulas	Viswas M R (Bhopal)

D2: Hall A: Saturday: 24 Sep 2022: Pre-Lunch Deep Blue

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
09:00 to 09:45	Deep Blue	
	How is Technology Taking over	
	Learning objectives	<p>Deep Blue was a chess-playing expert super computer. It was the first computer to win a game, and the first to win a match, against a reigning world champion under regular time controls. The aftermath of this match saw a heated debate on whether computer intelligence will supersede human brain. The recent developments in medical fields do point to similar thing in recent future. This rising interest in AI, and machine learning (ML) more specifically, is reflected in the increased research output and preferential entrepreneurial funding of health care start-ups. here is a lot of literature supporting use of AI and ML in urology. There is an evident gap in the knowledgebase available and a practicing clinician. This session is designed to bridge this gap.</p>

D2: Hall A: Saturday: 24 Sep 2022: Pre-Lunch Deep Blue

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
	Convener	Ashish Patil
	Convener	Rohit Joshi
	Augmented Reality and Virtual Reality in Urology	Ashish Patil
	3D printing and its surgical applications	Pankaj Joshi
	Artificial Intelligence in Diagnosis and Outcome prediction in Urology	Rohit Joshi
	Organoids	Ashwin Tamhankar
	Will artificial intelligence eventually take over?	Keval Patel

D2: Hall A: Saturday: 24 Sep 2022: Pre-Lunch Plenary Sessions

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
09:45 to 10:10	V V Desai Oration	"Unstupid Yourself"
	"Unstupid Yourself"	Anil Bradoo
	Chairperson	JG Lalmalani
	Chairperson	Prashant Mulawkar
10:10 to 10:40	A G Phadke Orarion	The Digital Future of Surgery
	The Digital Future of Surgery	Padmashree Prokar Dasgupta
	Chairperson	JG Lalmalani
	Chairperson	Prashant Mulawkar
10:40 to 11:00	S S Bapat Lecture Challenging cases RARP and important Complications	Vipul Patel
	Chairperson	Deepak Kirpekar
	Chairperson	Shirish Yande
11:00 to 11:15	Guest Lecture Use of intestinal segments for robotic urinary reconstruction	Raju Thomas
	Chairperson	Madhav Kamat
	Chairperson	PP Rao

D2: Hall A: Saturday: 24 Sep 2022: Pre-Lunch T20 Match NMIBC, Evidence vs Experience, Short debates

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
11:15 to 12:00 T20	Match against NMIBC T20 Match against NMIBC	
	Learning Objectives	Rapid Fire questions about NMIBC
	Convener	HB Tongaonkar
	Panellist	TBD
	Panellist	TBD
	Panellist	TB Yuvaraja
	Panellist	Uttam Mete
12:00 to 12:30	"If all follow guidelines, Who will innovate"	
	Evidence based or Experience based practice?	
	Learning Objectives	Is it always possible/ advisable to follow the guidelines?
	Convener	Rishi Grover
	Expert	Sanjay Kulkarni
	Expert	Lalit Shah
	Panellist	Jay Dharamsee
	Panellist	Shailesh Kamath
12:30 to 13:00	2030 AD Short debates without rebuttal 5+5 2030 AD: These procedures would be obsolete by 2030?	
	Convener	Ajay Bhandarkar
	Convener	C Mallikarjuna
	Mini PCNL in 2030? Nobody will be doing!	Kamlesh Maurya
	2030: Mini PCNL would still be popular TBA	
	2030: ESWL dead and burried	Amish Mehta
	2030: ESWL would be alive	Ketan Vartak
	HOLEP would be dead by 2030	C Mallikarjuna
	2030: HOLEP would be popular	Ajay Bhandarkar
13:00 to 14:00	Lunch Break	

D2: Hall A: Saturday: 24 Sep 2022: Post-Lunch Podium 5

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
14:00 to 15:00	Podium 5	P24 to P29
	Chairperson	Sumeet Mhaskar
	Chairperson	Ketan Shukla
	Chairperson	Shailesh Kamath
P24	Is There Any Role of Medical Line of Treatment As The Only Modality In Management of Emphysematous Pyelonephritis?	Prashant R. Lawande Goa)
P25	Laparoscopic management of XGPN kidneys in Tier 3 city- Challenges, Our experience and lessons learnt.	ashish Mahendra Chhajer (Dhule)
P26	NEW EMERGING TRENDS IN PRESENTATION OF GENITO URINARY TUBERCULOSIS AND ITS TREATMENT CHALLENGES. AN ENIGMA FOR UROLOGISTS	soumya ranjan nayak (Mumbai)
P27	Isolated penile gangrene - A case series	Gaurav Kumar Malvi (Mumbai)
P28	Spectrum of Prostatic Abscesses review of 28 cases	veku Gaude (Goa)
P29	Factors determining Treatment options in patients in prostatic abscess.	Nirmit Kailas Agrawal (Mumbai)

D2: Hall A: Saturday: 24 Sep 2022: Post-Lunch Slugfest/ Nothing but the Truth

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
15:00 to 15:45	Slugfest in Urology Learning Objectives	This is a session on complications. Entries would be invited from members and selected entries would be discussed. The session would be open for all, but they need to send the entries beforehand to the conveners
	Convener	Arvind Ganpule
	Co-convener	Nitin Gadgil
15:45 to 16:25	Truth, the whole truth and nothing but the truth	
	Learning objective	Final Take on these situation
	Convener	Makarand Khochikar
	Convener	Bhalchandra Kashyapi
	Are we misusing PET Scan	Bhalchandra Kashyapi
	PDE5i and penile rehabilitation (post radical prostatectomy, urethroplasty)	TB Yuvaraja
	Ramadan fasting and stone episodes	Shabbir Raja
	Genetic testing in Prostate cancer: where do we stand today?	Makarand Khochikar

D2: Hall A: Saturday: 24 Sep 2022: Post-Lunch New in Profession/ Bowl/ Know your Guru

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
16:25 to 16:55	New in profession: Pangs and Plight	
	Young Urologists session	
	Convener	GG Laxman Prabhu
	Panellist	Shrikant Atluri
	Panellist	Abheesh Varma Hegde
	Panellist	Satyadeo Sharma
	Panellist	Chaitanya Deshmukh
16:55 to 17:30	Khataron Ke Khiladi Bowl for Junior Member (<10 years since certification), Must be a full member of WZ.	
	Convener	Abhishek Singh
17:30 to 18:00	Know your Guru	
	Guru	Dr A V Rao
	Moderator	Vivek Birla
	Moderator	Ketan Shukla

D2: Hall B: Saturday: 24 Sep 2022: Pre-Lunch Podium 6

Fri/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Podium 6	P30 to P35
	Chairperson	Devdatt Palnitkar
	Chairperson	Vishwas Kulkarni
	Chairperson	Brajesh Singhal
P30	Long term follow up of Posterior urethral valves. An analysis and prediction of disease behavior. A single center study	Ulhas Vijay Sathaye (Jamnagar)
P31	Management of Pediatric Urolithiasis - Comparison between PCNL vs ESWL in Pediatric Population	Dip H Joshi (Mumbai)
P32	Complications after hypospadias surgery. Can a pattern be identified? A retrospective analysis of 86 cases	Ulhas Vijay Sathaye (Jamnagar)
P33	Health Related Quality of Life (HRQoL) with emotional and behavioral outcomes among renal transplant recipient patients: A study from a tertiary care hospital in NorthIndia.	Anant Giri (Jaipur)
P34	A novel technique of creation of the subcutaneous tunnel in Brachio-Basilic Fistula transposition operations- An Initial experience.	Coelho Victor Vijay Frederick (Nadiad)
P35	ENDOUROLOGICAL MANAGEMENT OF UROLITHIASIS IN TRANSPLANTED KIDNEYS	Vaibhav Vishwanath Vinkare (Mumbai)
13:00 to 14:00	Lunch	

D2: Hall B: Saturday: 24 Sep 2022: Post-Lunch Podium 7/ Instructional course Hypospadias

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
14:00 to 15:00	Podium 7	P36 to P41
	Chairperson	Jamal Azmi
	Chairperson	Ashwin Tamhankar
	Chairperson	Milind Bapat
P36	Peri-operative, oncological and survival outcomes of robotic radical cystectomy with urinary diversion in females	Ojas Vijayanand Potdar (Mumbai)
P37	Caliber of the External Urethral Meatus in Indian Population: A cross sectional study	Vishnu Pratap (Mumbai)
P38	Peri-operative, functional, quality of life, and oncological outcomes after robot-assisted radical cystectomy and intra-corporeal orthotopic ileal neobladder - Our experience	Ashishkumar Narsinhbhai Asari (Mumbai)
P39	UPFRONT PREDICTION AND MANAGEMENT OF INGUINAL LYMPH NODES IN SQUAMOUS CELL CARCINOMA OF PENIS - A NOVEL CLINO-RADIOPATHOLOGICAL RISK SCORING SYSTEM (CRiSS).	KEVAL Nareshbhai PATEL (AHMEDABAD)
P40	Epididymal rhabdomyosarcoma: a rare case with scrotal mass in young adult	Amit prakash ilamkar (Mumbai)

D2: Hall B: Saturday: 24 Sep 2022: Post-Lunch Podium 7/ Instructional course Hypospadias

Fri/ Hall A (Post-Lunch)	Program Title	Speaker/ Moderator
P41	Comparative analysis of outcomes after open and robotic-assisted retroperitoneal lymph node dissection for testicular cancer in postchemotherapy patients	Akash Mukesh Shah (Mumbai)
15:00 to 17:00	Instructional course Hypospadias Learning objectives Applied anatomy, Landmarks, Classification, Which Repair when?, Troubleshooting, Expert opinion, QnA of 30 min	
	Convener	Ulhas Sathaye
	Faculty	Hemant Pathak
	Faculty	Sushil Rathi
	Faculty	Ashwin Gami
	Faculty	Suresh Bhagat

D2: Hall C: Saturday, 24 September 2022

Sat/ Hall C	Program Title	Speaker/ Moderator
09:00 AM Onwards	Moderated Poster 2 Display starts	E13 to E24
10:00 AM Onwards	Unmoderated poster 2 display starts	E30 to E33 & E37 to E40
E30	LAPAROSCOPIC GUIDED PCNL IN PANCAKE KIDNEY	Achint Bajpai (Mumbai)
E31	Penile Tuberculosis	PRABHAV Agarwal (Bulandshahr)
E32	GIANT VESICAL CALCULUS	Prabhav Agarwal (Pune)
E33	Adenocarcinoma of Ureter :	Manohar Malawad (Goa)
E37	A case report A case of isolated renal mucormycosis in an immunocompetent individual	Pradeep Jain (Mumbai)
E38	Surgical reconstruction in bladder injury with vaginal injury with pubic bone separation during obstructed labour	Gaurav Kumar Malvi (Mumbai)
E39	Prostate Artery Embolization as a Palliative Care in a Patient with Prostate Cancer: A Case Report	KEYUR YOGESH PATEL (Belagavi)
E40	AUGMENTATION URETEROCYSTOPLASTY FOR VALVE BLADDER SYNDROME: A SMALL SERIES WITH MINIMUM 15 YEAR FOLLOW-UP	RONAK NARESHBHAI SHAH (Belagavi)
13:00 to 14:00	Lunch Break	

D2: Hall C: Saturday, 24 September 2022

Sat/ Hall C	Program Title	Speaker/ Moderator
13:00 to 14:00	Lunch Break	
14:00 to 15:00	Moderated poster 2 (Discussion)	E13 to E24
E13	Chairperson	Lokesh Sinha
	Chairperson	Venkat Gite
	Chairperson	Janak Desai
	Urolithiasis Management in patients with kyphoscoliosis :	Chetankumar Ramesh Tikar (Mumbai)
E14	Our Experience.	
	Efficacy and outcomes of RIRS(Retrograde intrarenal Surgery) for stone size 1.5 cm to 3 cm with Thulium fiber laser (TFL)- single center study	Pratik Bhupendrabhai Patel (Nadiad)
E15	Use of Thulium Fiber Laser in the management of lower pole stones without translocation	Raisa Navin Shetty (Nadiad)
E16	Double Face Augmentation Urethroplasty using inner prepuce, an alternative for tobacco chewers	Shashank Sharma (Mumbai)
E17	Difficulties in Management of Complex and Redo case of PFUI	Shashank Sharma (Mumbai)
E18	ABO-incompatible Kidney Transplantation: Lessons learnt from a single-center experience	Abhijit Pradip Patil (Nadiad)
E19	Native Kidney Renal Cell Carcinoma In Renal Allograft Transplant Patients-Our Experience	Pavan Prabhakar Surwase (Nadiad)
E20	An Unusual Case of Colovesical Fistula in Renal Allograft Recipient	Supradeep N (Mumbai)

D2: Hall C: Saturday, 24 September 2022

Sat/ Hall C	Program Title	Speaker/ Moderator
E21	Total urethral replacement using sigmoid Monti tube in a post-traumatic complex genitourinary trauma in pediatric female	Mekhala Deepak Nail (Mumbai)
E22	Laparoscopic ureterolysis for retroperitoneal fibrosis in a young female	Ishan Yatin Merchant (Mumbai)
E23	(*Deleted*)Nutcracker syndrome- relevance of pre-operative investigations, appropriate selection of treatment options and postoperative course with resolution of symptoms.	Viswas M R (Bhopal)
E24	A RARE CASE OF AN ADULT WITH UNTREATED BLADDER EXSTROPHY PRESENTING WITH SIGNET RING ADENOCARCINOMA OF URINARY BLADDER	Gaurav Kumar Malvi (Mumbai)

D2: Hall D: Saturday: 24 Sep 2022: Zonal Uromet

Sat/ Hall D	Program Title	Speaker/ Moderator
Module	USG	USG
Moderator	Arvind Ganpule	
10:00 to 11:00		Arvind Ganpule
11:00 to 12:00		Ajay oswal
12:00 to 13:00		Repeat any faculty
13:00 to 14:00	Lunch Break	
Module	TURP	
Moderators	Dhananjay Bokare	
14:00 to 15:00		Nagendra Mishra
15:00 to 16:00		Repeat any faculty
16:00 to 17:00		Repeat any faculty
Module	PCNL	
Moderators	Lokesh Patni	
14:00 to 15:00		Sunil Gogate
15:00 to 16:00		Subodh Shivde
16:00 to 17:00		Kaushik Shah, Prashant Mulawkar
Module	RIRS	
Moderators	K Nanjappa	Rajesh Kukreja
14:00 to 15:00		Kandarp Parikh
15:00 to 16:00		Rohit Joshi
16:00 to 17:00		
Module	LAPAROSCOPY	
Moderators	Jamal Rizvi* Jitendra Jagtap	
14:00 to 15:00		Kishore Wani
15:00 to 16:00		Ashish Chajed
16:00 to 17:00		
Module	Robotic	
Moderators	Himesh Gandhi	
14:00 to 15:00		Himesh Gandhi

D3: Hall A: Sunday: 25 Sep 2022

Podium 8, Panel Discussion RCC T1, T2

Sun/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Podium 8 P42 to P47	
	Chairperson	Sharmad Kudchadkar
	Chairperson	Ravi Nagar
	Chairperson	Suhas Salpekar
P42	VERITY OF MALE SEXUAL DISORDER VIDEOS ON SOCIAL MEDIA PLATFORMS	Anant Giri (Jaipur)
P43	GRADE 4 RENAL INJURY IN SOLITARY KIDNEY, MANAGED CONSERVATIVELY	PRABHAVAGARWAL (Pune)
P44	Nutcracker syndrome- relevance of pre-operative investigations, appropriate selection of treatment options and post-operative course with resolution of symptoms.	Viswas M R (Bhopal)
P45	A case series of forgotten foreign bodies in Urology	Viswas M R (Bhopal)
P46	Laparoscopic ureteric reimplantation versus robotic assisted laparoscopic ureteric reimplantation for lower ureter pathology: Single institutional comparative study	ASHLESH JAYESH BHAVSAR (Nadiad)
P47	Laparoscopic nephrectomy for ectopic pelvic kidneys	Nirmit Kailas Agrawal (Mumbai)
09:00 to 10:00	Panel Discussion RCC T1, T2 Dilemmas and Controversies in surgical management of localized T1a,T1b, T2 RCC	
	Convener	Hemang Baxi
	Convener	Gaurang Shah
	Panellist	Himesh Gandhi
	Panellist	Ajit Sawant
	Panellist	Vivek Venkatramani
	Panellist	Santosh Vaigankar
	Panellist	Sharmad Kudchadkar

D3: Hall A: Sunday: 25 Sep 2022

Quiz, State of Art Lecture, Symposium on Female Urethral Stricture

Sun/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
10:00 to 11:00	Chitale Travelling Fellowship Quiz	
	Quiz master	Abhijit Patil
	Quiz support	Ashish Chhajed
	Quiz support	Utsav Shah
11:00 to 11:10	State of Art Lecture Sacroneuromodulation in non obstructive hypotonic bladders	Shailesh Raina
	Chairperson	JG Lalmalani
	Chairperson	TBD
11:10 to 11:40	Symposium	
	Female Urethral stricture	
	Chairperson	TBD
	Chairperson	TBD
	Convener	Ajit Vaze
	Convener	Sadashiv Bhole
	panellist	Altaf Sheikh
	Panellist	Rajiv Kore

D3: Hall A: Sunday: 25 Sep 2022

Andrology, Neonatal Urology

Sun/ Hall A (Pre-Lunch)	Program Title	Speaker/ Moderator
11:40 to 12:40	Short talks	
12:40 to 13:10	Andrology	
	Chairperson	TBD
	Chairperson	TBD
	Convener	Jignesh Ghevaria
	Convener	Omprakash Mundhada
	Adolescent varicocele	Jignesh Ghevaria
	Torsion Testis	Atul Shah
	Priapism	Manoj Biswas
	Premature ejaculation	Pravin Govardhane
	Adult Cryptorchidism (Unilateral/ Bilateral)	Omprakash Mundhada
	Fracture Penis	Sandeep Bathe
	Case based Discussion Neonatal Urology: Case based Discussion	
	Learning objective	Clinical scenarios wherein Urologist is called in to see a neonate
	Convener	Rahul Kapoor
Expert	Hemant Pathak	
Panellist	Abhijit Dhale	
Panellist	TBD	
13:10	Valedictory Function	
13:30	Lunch	

D3: Hall B: Sunday: 25 Sep 2022: Pre-Lunch Podium 9

Sun/ Hall B (Pre-Lunch)	Program Title	Speaker/ Moderator
08:00 to 09:00	Podium 9	P48 to P53
	Chairperson	Mukund Andankar
	Chairperson	Ankit Fusakele
	Chairperson	Ganesh Bakshi
P48	DIAGNOSTIC VALUE OF PSMA PET SCAN IN PREDICTING LYMPH NODE POSITIVITY IN PATIENTS WITH PROSTATE CANCER	Kartik Shashikant Patel (Pune)
P49	Clinical Value of repeated TRUS Biopsies/mpMRI in patients with fluctuating Sr. PSA levels in detecting Ca Prostate.	Maria Amanda Cardoso (Goa)
P50	A COMPARISON STUDY OF PSMA PET/CT AND MULTIPERAMATRIC MRI FOR STAGING OF PROSTATE CANCER PATIENTS	Kartik Shashikant Patel (Pune)
P51	RANDOMIZED CONTROL TRIAL IN METASTATIC CARCINOMA PROSTATE WITH ACUTE URINARY RETENTION WITH IMMEDIATE VERSUS DELAYED CHANNEL TRANSURETHRAL RESECTION OF PROSTATE (TURP) IN PATIENTS UNDERGOING ANDROGEN BLOCKADE	Gaurav Kumar Malvi (Mumbai)
P52	Role of Urologists in Obstetrics and Gynecology Operation Theatre- Our experience	Shashank Sharma (Mumbai)
P53	Assessment of long term outcome, complications & impact on renal function in Reconstructive Urosurgery with Ileal segments: review from a tertiary center in western India	Abheesh Varma Hegde (Mumbai)
13:30 Lunch
